DETAILED ACTION

1. This action is responsive to amendment filed on 06/19/06.
2. Claims 1-9 are allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The prior art does not teach a display control section which controls the transfer and storage of the display data from the main memory to the line memory and the readout of the necessary display data from the line memory to display it on the screen; and a main control section which controls the storage of said display data in the main memory, and the transfer of the stored information including the data format and the storage address to said display control section, wherein said display control section reading out said display data by specifying the address of the display data for one line which has a possibility to be displayed on the screen to said main memory from which the display data is transferred, based on said stored information, causing said data processing circuit to perform the data transfer and select said line memory to store said display data.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
